WHO WE ARE

City Block Salumeria is Memphis' only full service butcher shop specializing in European style cured meats and sausages. We cut all of our steaks and chops to order to insure that your meat is as fresh as it possibly can be. Our nationally recognized charcuterie program provides locally sourced, house made bacon, hams, pates, whole muscle salumi, and salami to the public as well as to restaurants across the city. Come visit us and find out why Southern Living magazine called us "a carnivore's playground."
